Mackson was the first child received at Rescue Children Orphanage, and he has three brothers and three sisters. His father was murdered when he was a baby, and his mother is unable to earn a living because she is blind. She used to help with laundry at the orphanage but became sick and now lives with her daughter in the province.

Mackson loves to sing and go to school. He likes Christian inspirational music and sings a lot of hymns, some in Spanish. He enjoys the Bible stories that Mommy Lynda tells with the flannelgraph and felt characters. He knows a lot about the Bible.

He likes playing the children at the orphanage, helping the Mommies, and playing with Beulah. He loves to eat rice and beans and the banana pudding that Mommy Lynda makes for the kids.
